DAY**

By Chloe Kneer - Last year, Tim Hortons Camp Day raised a record \$11 million. That money helped send more than 15,000 kids, who may not otherwise afford to go, to camp. Camp Day is tomorrow, Wednesday, June 5th, and the goal is to send over 16,000 children to camp this year.

Every time you buy a coffee at Tim Hortons on Camp Day you will help send kids on the camping adventure of a lifetime. All children who attend one of the Foundation's six camps are selected from within the communities where Tim Hortons Restaurants are located. Tim

## Finally Mayor Rob Ford Tells The Truth

"Good afternoon ladies and gentlemen. I'm sure you know who I am either from that doctored photo of me smoking crack cocaine on the front page of the Toronto Star or from my mug shot taken after I was caught drinking and driving in Florida which was a long time ago and also a malicious lie.

My supporters of Toronto City Hall, okay then, my brother Doug has urged me to address the many allegations brought against me, mostly from those goat-humpers at that scum-sucking, pinko rag they call the Toronto Star.

Since I was elected mayor, I have been accused of insulting gays by not attending two Pride Parades, of tearing up a brand new bike lane, of several conflicts of interest, of attempting to get city employees to do roadwork in front of my family's business, of dodging the public weigh-in for my "Cut The Waist" campaign at the same time as I was photographed coming out of Kentucky Fried Chicken with two bags of take-out, of being so intoxicated at the Canadian Armed Forces Garrison Ball that I was asked to leave the premises, of attending high school football practices instead of commandeering a city bus to transport my football team, of reading city documents while driving my car, of being drunk or high or both at an official city function and while there, grabbing a woman's ass. Let me say once and for all that I have never read city documents while

operating a motorized vehicle. I was merely scanning the comics section of the Toronto Star which is the only thing in that ridiculous, piece of crap tabloid worth looking at.

Now about that video that apparently shows me smoking crack cocaine with some jumped-up drug dealer. Well me and Doug had a really good laugh over that one because it's actually a Saturday Night Live sketch with Eddie Murphy and Chris Farley who as you know, is a dead ringer for me. So when Saturday Night Live satirizes you, well, I'm flattered."

Reporter: "But Mr. Mayor, Eddie Murphy left the show in 1984."

Mayor: "Really?"

Reporter: "And Chris Farley has been dead for over 15 years."

Mayor: "Are you sure? Because my brother Doug didn't tell me that part of the story. Okay, well if the video shows me referring to players on my football team as f----- minorities, if I'm such a racist, why would I be partying and smoking dope with some guy from Syria?"

Reporter: "Somalia."

Mayor: "Syria, Somalia. Windsor, Winnipeg. What's the difference?"

Reporter: "Did you also call Justin Trudeau a 'fag' on the video?"

Mayor: "I did not. That's just more hateful falsehood printed by those crayon-snapping maggots in the media particularly that slimy, bottom-feeding, bird-crapped cage liner they call the Toronto Star. In

fact, because I couldn't think of the word "weasel" I called Justin Trudeau a "ferret" not a "faggot." And I apologize for that.

Reporter: "Sir, were you or were you not smoking a crack cocaine pipe in that video?"

Mayor: "As you know I suffer from a rare form of inoperable weight gain known as KFC. My doctor referred me to a homeopathic healer from Syria, sorry, Somalia who treats this disorder by inhaling the burning leaves of hawthorn from a sacred healing pipe and that's what me and Dr. Smith were doing in the video, if in fact there is a video and that is in fact his name which sounds kind of fishy."

Reporter: "Mr. Mayor, Doctor Smith as you call him was

actually a drug dealer by the name of Anthony Smith from Somalia."

Mayor: "Well, I never saw his medical certificate, but I did notice he had a lot of prescription pads."

Reporter: "He was shot and killed outside a Toronto nightclub seven months ago."

Mayor: "Well my thoughts and prayers ... are you sure because just yesterday ... never mind."

Reporter: "For the last time Mr. Mayor, was that you smoking crack cocaine on that video?"

Mayor: "Okay. Yes. Yes it was. I want to be honest and transparent with the good citizens of my city of Toronto and I take full responsibility for my behavior in the video

as well as those photographs of me published on the front page of that puke-swallowing, lame-ass, horse-bun fondling cheat sheet they call the Toronto Star.

But I did it for you. Just as some of my colleagues have slept on the street overnight to really know what it feels like to be homeless, I too needed to know what it means to be a crack addict in this city and ..."

Reporter: "Sir, do you really expect us to believe that?"

Mayor: "Well yeah, I even robbed a tourist from Buffalo in order to support my crack habit!"

Reporter: "Mr. Mayor, your nose is like out to here!"

Mayor: "Okay, after I crushed my nasal passage playing football, I require regular inhaling sessions with ..."

Reporter: "Sir please!"

Mayor: "Okay, then if you really want the honest truth, it was Mike Duffy smoking dope in that video! Yeah and you can read all about it in tomorrow's edition of that freakin' psycho, two-ply paper trail they call the Toronto Star."

## Community Economic Development

Mayor and Council are pleased to announce that Cheryl Kennelly will assume added responsibilities in key areas of Community Economic Development for the Town of Espanola. Cheryl's current role of Program Manager of Leisure Services will be expanded to include identified economic development priority functions and projects.

"Community development has been an integral part of Cheryl's role as Program Manager, so adding the economic stream is a natural progression. Also, the merging of these positions ensures that the Town maintains an economic focus and manages priorities in the most cost effective manner," says Cynthia Townsend, Clerk Treasurer/Administrator.

Cheryl brings to the role 9 years experience as a LAMBAC Board Member and has completed the Economic Development Certificate Program from the University of Waterloo. She is a community champion with a broad slate of public and private sector experience in communications and marketing.

## Knight Cruisers Car Show an Engine-Roaring Success

By *Chloe Kneer* - There was no shortage of shiny cars, good weather, and smiling faces at the Knight Cruisers Car Show in Espanola on May 25. Members from all across northern Ontario converged on the Espanola

Recreation Complex field to show off their spotless "toys". The "engine blow" contest was won by Dennis Lendrum.

In addition to all of the eye candy on display, there were several vendors raising money for various organizations, including the Elks, the Mead Street Cat Project, and the new Espanola Youth Centre. "Like" the Knight Cruisers Car Club on Facebook for updates on their Thursday night "cruise ins" and more car show pictures.

### Tim Hortons Camp Day is Tomorrow

Hortons owners work closely with local youth organizations and schools to select children, between the ages of nine and 12, to attend a ten-day summer camp session or a seven-day winter camp session.

"It's overwhelming each year to see how our guests come together to support the Foundation," says Bill Moir, President, Tim Hortons Children's Foundation. "On Camp Day, buying a cup of coffee and participating in the many activities helps

contribute to positive change in a child's life. And that's a good feeling."

On Camp Day, guests can expect additional fund-raising activities at many of their local Tim Hortons Restaurants, Espanola and McKerrow included. New Moose FM 99.3 morning radio host Rosalind Russell will help pour coffee in support of the kids.

For more information on Tim Hortons Camp Day, visit their website at [www.timhortons.com](http://www.timhortons.com)

## Recipe

If you like tacos and burritos you will like this lasagne. Serve with sour cream.

### Mexican Lasagne

- 2 tsp chili powder
- 1 tsp ground cumin
- 1 tsp minced garlic
- ½ tsp oregano leaves
- ½ tsp crushed red pepper (optional)
- 1 lb lean ground beef
- ½ cup chopped onion
- 1 (680 ml) can tomato sauce
- 1 can black beans, drained and rinsed
- ¾ cup frozen corn niblets
- 1(127ml) can chopped green chilies, with juice
- 8 flour tortillas
- 2 cups shredded cheddar cheese

In a large skillet, brown beef and onion over med-high heat; drain. Stir in tomato sauce, beans, corn and green chilies. Stir in all spices except red pepper. Bring to boil. Reduce heat to low; simmer 5 minutes. Add red pepper to taste, if desired. Spread 2/3 cup beef mixture on bottom of lightly greased 13x9 inch baking dish. Top with 4 tortillas, overlapping as needed. Layer with ½ of remaining beef mixture and ½ of cheese. Repeat with remaining tortillas, beef mixture and cheese. Bake in a preheated 350°F (180°C) oven for 15 minutes or until heated through. Let stand 5 minutes before serving.

## In The Loop

Recently there has been discussion in the press about the role of an Integrity Commissioner and a Code of Conduct policy for Councillors. It has been put forth that this is a proactive measure to clarify how Councillors can formulate decisions on behalf of residents and how citizens can file complaints. Many communities have decided that this is a logical approach to take. More and more are now following in their footsteps.

In August 2012, Espanola's Mayor and Councillors were presented with a draft copy of a proposed Code of Conduct and the Role of an Integrity Commissioner. Council decided that they needed time to review it. However, it was not brought back for discussion in 2012. Eventually, in February 2013 the topic resurfaced, but due to budget deliberations it was postponed until the March meeting.

March, April, and May have come and gone and there has been no mention of this at Council Meetings. Ten months will have

passed and the issue has not yet been resolved. It is hoped that it will get the priority status it deserves. We will keep you informed

On a more positive note, there will be a presentation on June 12th at the complex to explain the 2013 budget and the new Strategic Plan for Espanola. Residents who attended the two strategic planning sessions last fall to provide input will be able to see which of these recommendations have been put in place for the next 5 years. The next challenge for Council is the EXTERNAL SERVICE REVIEW. Funds for this have been allocated in the 2013 budget. An in-depth review which includes each department will enable Council to objectively evaluate the creation, maintenance, and delivery of all services for the residents of Espanola.
