## Supporting The Humboldt Broncos Of Saskatchewan

By Rosalind Russell - People in the local area are also lending support to the victims of the Saskatchewan bus crash disaster where several players and supporters of the Humboldt Broncos Junior A hockey team were killed including the people of the Espanola, Manitoulin Island and the North Shore corridor.

The Town of Humboldt, Saskatchewan has lost 16 of its 6,000 souls. But, they lost a lot more than a hockey team after a collision between the team bus and a semi-truck left 16 people dead, mostly players between 16 and 21, and more than a dozen injured. The accident occurred at an intersection known locally as Armley Corner, the evening of Friday, April 6th, 2018.

The community also grieves for the Broncos captain Logan Schutz, coaches Darcy Haugun and Mark Cross, the team's statistician, radio play-by-play announcer

## Trump And Mueller – The Interview Of The Century

Robert Mueller the special counsel assigned to investigate cooperation and collusion between Russian and Don Trump's 2016 election campaign wants to interview the president. President Trump has been adamant about two things. First he has stated on dozens of occasions that there is "no collusion." And as far as a face-to-face sit down with Mueller he has said: "I will" and "absolutely yes" and "looking forward to it" and "very much looking forward to it." That's how you know that there was a big, can-o-worms full of collusion with the Russians and he'd rather give Hillary Clinton a back rub than get within a city block of Robert Mueller.

However if these two political titans ever did meet in person, it would be The Interview Of The Century. O.J. Simpson versus Clarence Darrow. Elvis tries to fool Oprah. Pee-wee Herman challenges the Pope!

Trump: "Before we get started, what the hell is this?" Mueller: "A Bible."

Trump: "Oh yeah, of course. Ah, it's just that the one I read every night before I go to bed has a photo of God on the cover."

Mueller: "Please state your full name and

occupation." Trump: "I refuse to answer that ..." Trump's Lawyer: "No, not now!" Trump: "Oh, okay. Donald J. Trump. President of the United States of America." Mueller: "Mr. President, were you aware of any collusion between your staff and the Russians during the 2016 campaign?" Trump: "I invoke my right under The Fifth Amendment ..." Trump's Lawyer: "No! Not now!"

Trump: "Oh, okay. Then, no. No collusion."

Mueller: "I should tell you Mr. President that over the past ten months my special counsel team has amassed a body of evidence that contradicts your denial."

Trump: "Oh yeah, well let me tell you! That body of that so-called porn star Stormy Daniels! That's like a false body! More infrastructure work there than a Trump hotel!" (Trump's lawyer falls off his chair backwards)

Mueller: "So you admit to that one-night stand with Ms. Daniels?" Trump: "No. I couldn't have been with her that night in Lake Tahoe because ... because I was with Karen McDougal, the Playboy Bunny that

night in New York!"

Trump's Lawyer: (struggling to get to his feet) "I move to adjourn."

Mueller: "I feel very badly for your wife." Trump: "Are you kidding?!? That gold digger got \$20 million in the divorce settlement."

Mueller: "No, I mean your other wife." Trump: "Oh, Marla. She only got two million."

Mueller: "No, I meant ..."

Trump: "Oh, the model. Well more than two and less than twenty ... fingers crossed."

Mueller: "Mr. President, what is your relationship with Russian President Vladimir Putin?"

Trump: "You mean the money laundering deals we did or the sex tape he's got on me?"

Trump's Lawyer: (from under the table yelling) "Now! Now The Fifth!"

Trump: "Okay, I'm not supposed to answer questions about the Deutsche Bank money laundering and I invoke the Fifth Amendment right on that golden shower video."

Mueller: "Mr. President, we have found a connection between the Russians and your son-in-law Jared Kushner."

Trump: "He's a great guy. A great husband and father. He does great work."

Mueller: "But Mr. President, Jared Kushner's statements in Russian matters implicates you, as the master mind ..."

Trump: "Jared Kushner is a lying, conniving SOB! He's fired! He's history! I'll get custody of those kids!" (Trump's lawyer shatters a glass of water with his fist)

Mueller: "Now when your son,

Donald Trump Jr. organized that meeting of Russians at Trump Tower, did he inform you about the meeting and what transpired?"

Trump: "Oh no, absolutely not. He told me it was a Boy Scout meeting that dealt mostly with knot tying and such."

Mueller: "And you believed him?"

Trump: "Well, he was wearing his Boy Scout uniform at the time, so yeah."

Mueller: "Where would you say Donald Jr. ranks in the White House order?"

Trump: "He's a tenderfoot."

Mueller: "Thirty-five years in the Boy Scouts and he's still a tenderfoot?"

Trump: "Let me tell you, Donald Trump Jr. is no Donald Trump Sr. if you know what I mean. I'm always the smartest guy in the room, even this room!"

Trump's Lawyer: (waving a bloody hand from under the table) "Call in an air strike!"

Mueller: "Mr. President, you're under arrest."

Trump: "For what!?"

Mueller: "In our research here at Special Counsel Headquarters we found a little known statute still on the books and ..."

Trump: "What the hell are you talking about?"

Mueller: "Sorry Mr. President, but here in the District of Columbia stupidity is in fact against the law. Case closed."

(A security guard places a white sheet over Trump's lawyer.)

## Espanola Woman Takes On The CN Tower Steps

**Photo:** Terri Noble, her son, Craig Grignon, and his wife, Samantha Grignon, are proud to have taken the CN Tower Step Challenge. Photo provided by Terri Noble.

An Espanola woman is one of 7,000 people who took on the challenge of the steps of the CN Tower in Toronto.

Terri Noble and daughter-in-law, Samantha Grignon, decided to spend this past weekend climbing nearly 2,000 steps at the CN Tower in support of the World Wildlife Fund.

Noble says the duo was assigned to a team from Barrie

and began the trek, which to her, seemed to take a very long time.

She adds it was harder than she thought and it took them about an hour while other members of the team who were in better shape completed the challenge in about 17 minutes.

Over \$1.4 million was raised with Noble's team contributing \$4,000.

## Espanola Council Will Vote On OPP Switch Following Public Meeting

**By Rosalind Russell** - It looks like there will be a final resolution as to whether Espanola will be policed municipally or provincially by the end of the month.

The Town of Espanola will be hosting a public information session on the OPP proposal Thursday, April 19th at the Espanola Royal Canadian Legion at 7:00pm and it will be livestreamed.

To watch it live, go to [espanola.ca](http://espanola.ca), click on town hall, then

click on mayor and council on the left hand column, see live stream and follow the instructions from there.

If you are attending in person, it will be the last opportunity for the public to ask questions and review the proposal.

At their last regular meeting, council passed a motion to make the final decision at its next regular meeting of council on April 24th.

The deadline to accept the contract is May 22nd.

## New Partnership With United Way – New Dirt Track For Park

**By Rosalind Russell** - Espanola council has given its approval to work with the United Way on a local park project and that could be awesome news for kids who just want to get out there on their bikes and buzz all over the place with jumps and bumps and so much more. Council was provided with an Economic Development Office report in late March, which stated The Espanola Family Health Team and Sudbury Public Health had been talking to United Way about partnering with the town for a new dirt track for

youngsters.

The United Way would be responsible for the installation of the track and in return, would ask the park be re-named “Wolves United Park” since a funding source is the Sudbury Wolves.

It has been suggested that Sherwood Park may be the ideal location.

Council is moving forward with a partnership with the United Way on the project, which is expected to have delegates come to town within the next few weeks to make the formal presentation.

## Supporting The Humboldt Broncos Of Saskatchewan

and the driver of the bus.

Team trainer Dayna Brons died as a result of injuries she suffered on Wednesday, April 11th.

Northern Ontario Junior Hockey League Commissioner Robert Mazzuca says the league is holding memorials at their play-off games.

Espanola Express co-owner Chad Clarke also expressed his condolences on behalf of the team, its management and staff, as well as expressions of support from the various levels of the Espanola Minor Hockey League.

“It is an incredibly sad day today within the hockey community. Our thoughts and prayers are with all the players, parents, staff and the community of Humboldt. This tragedy hits incredibly close to home to us and we mourn the loss of souls lost in the tragic accident. We hope those remaining in hospital recover fast and stay strong. The entire Express organization is behind the Humboldt Broncos and their families.”

The Town of Espanola is sending a letter of condolence to the Town of Humboldt and the City of Elliot Lake put their flags at half mast for 16 days, representing the 16 who died in the crash.

Town Councillor Ron Duplessis “I’m sure we are all aware of the tragic bus accident that happened out in Saskatchewan. We are

all part of hockey, we have so many families who travel, even our own hockey team spend a lot of time on the road. I think it is only right that we acknowledge this loss and send a letter of condolence to the Town of Humboldt and its families.”

Schools throughout the local area took in Jersey Day on April 12, 2018 to wear the green and yellow, the colours of the Broncos team, in honour of the team and other lost ones.

Even Tim Hortons is doing its part with green and yellow doughnuts, with all proceeds going to assist the families who have lost loved ones or those needing continued medical care. And, hockey families are putting hockey sticks at their front door to honour Humboldt.

And a gofund me site has been set up to assist the families with funeral and medical costs, as well as long-term care including mental health services and so much more. Donations stemming from the heartbreak have propelled a fund for the players’ families into GoFundMe’s top five largest global campaigns. The money, over \$8-million and counting, comes from 65 countries, according to GoFundMe’s PR agency in Canada, North Strategic.
