La Renaissance Students Excited With The Return Of Extracurricular And Sports Activities

With the recent lifting of health measures designed to counter the spread of COVID-19, École catholique La Renaissance in Espanola has relaunched with much vigour its school clubs and activities. The Lynx are delighted to once again offer a variety of extracurricular activities. Student engagement and participation is high and the enthusiasm in the school is palpable! For example, students in grades 4, 5 and 6 have been able to resume their sports activities by participating in the sports club which enables students to practice multi-sport exercises. The students practice with much energy! They are also offered the opportunity to develop team spirit and collaboration while developing important social skills. Teachers are very happy to be able to build those mentoring relationships again and make new connections with students outside of the classroom.

Highway Six Work Set To Go

Reconstruction of Highway Six between Whitefish River First Nation and Little Current is expected to take up to two years to complete.

In a release, the Ministry of Transportation says the reconstruction of the highway will begin this spring.

The rehabilitation plans include grading, drainage and paving, electrical and structural improvements, and new culverts for the 16-kilometre stretch of highway.

The ministry adds signage will be in place and travellers can expect slowdowns through the construction phase of the major project.

Enlarging The Carbon Footprint In A Good Way

The Escarpment Biosphere Conservancy continues to enlarge its carbon footprint in a good way.

Conservancy executive director, Bob Barnett, says seven properties, about 1,200 acres in all, are now protected including four on Manitoulin. Barnett says the properties cost \$3-million and include a forest tract near Silverwater, another near the Queen Elizabeth: Queen Mother M'Nidoo M'Nissing Provincial Park, escarpment property at Wolsley Lake and the Lewis Twin Peaks Trail in Sheguiandah.

He says they plan to reopen the Lewis Trail and will look at more trail development on the other sites.

Barnett adds the other three properties they acquired are all on the Bruce Trail.

Mother Proud Daughter's Death Acknowledged With Naming Of New Program

is to open later this year.

Charlene adds a special memorial is also planned for Saturday, April 16th on what would have been her daughter's 30th birthday to formally announce the program while hosting various activities including a memorial lantern lighting ceremony in the evening.

She says everyone concerned with the opioid crisis is invited to attend and support the fight against addiction.

Charlene says the family treatment program has been named through a special ceremony. "Gaawahseyaang refers to the glimmer of hope we feel when we see the shimmer of dancing ice crystals suspended in the cold, crisp air of a winter morning. Gaawahseyaang was

my daughter's spirit name. We feel some healing in the fact that our community treatment centre's name will have a legacy/story, and special meaning."

The gathering will begin at 1 PM with a barbecue by the billboard in Sagamok. Charlene adds at 3 PM, there will be a giveaway of her daughter's personal items, and the days will include some children's crafts and activities. Resource material will be available from Mental Health and Addiction Services. At 8 PM there will be a lighting ceremony for community members to be held at the Field of Dreams.

"I would like to take this time to say Miigwetch to family, friends and loved ones of Charisse baa who have shown so much support, your love helps in the healing process."

Ground-Breaking Ceremony For New School In Sagamok-Anishnabek First Nation

The community of Sagamok-Anishnabek First Nation gathered together to host a day of celebration as part of a ground-breaking for a new school.

The new school, which will cost just over \$24-million dollars to build, will house students from junior kindergarten to grade eight.

The over 2,800 square meter facility will be 40% larger than the existing Biidaaban Kinoomaagegamik school that was built in 1985 and will feature a gymnasium, cafeteria, library, science

room and spaces for high-needs learners to house just over 200 students.

The day included a Sunrise Ceremony, community breakfast, and a presentation by the architects and construction company at the new community hall.

Following the presentations, the ground-breaking was held at 1666 Toulouse Road, which is adjacent to the present school building.

If all timelines are met, the community will celebrate a grand opening in September of next year.

Elks National Exalted Leader Visiting Espanola

The Espanola Elks will be welcoming their national leader next month.

Wanda Ouimette says the Elks are hosting a members-only dinner with Grand Exalted Ruler Maurice Koszman of Saskatchewan.

She says the evening will not only be an opportunity to talk to him about the work carried out by the organization but will see new members receive their induction and on-time members receive service pins. Ouimette says the work carried out by the Elks focuses on families, especially children and seniors with a cheque being presented to Koszman for the Elks and Royal Purple Fund for Children.

The evening will also highlight the long history of the club in the local area, which will

officially celebrate its 71st anniversary this year.

IN MEMORIAM

Frank Kijadjiwan (Lewis) Sunrise: April 6, 1931. Sunset: March 30, 2022. Frank Kijadjiwan (Lewis) son of Robert Lewis and Mary Meawasige began his spirit journey on March 30, 2022 at the age of 90. Frank was born in Serpent River First Nation and the youngest of 5. He joins his beloved wife, Lorena and children Adele, Mark, Keith, and Rick all predeceased; he leaves behind his daughters, Cheryle (Peter) and Jackie. Frank was a proud grandfather to 15, great-grandfather to 31 and great great-grandfather to 10. Frank's beloved

father Robert, Zaagijiwese, began his spirit journey at a relatively young age. Zaagijiwese in the English language means, “one who guards from the outside/the perimeter.” In the years following Zaagijiwese's passing it was commonplace to see Frank driving through our community at various times throughout the day. We, his family, see it as perhaps an inherited trait but more likely it was a son emulating a father he loved dearly. Visitation was at the SRFN Lifestyle Centre on Saturday, April 2 at 2pm. Funeral service was on Monday, April 4 at 11am at Our Lady of the Highway Church with interment at the SRFN cemetery. The family asks in lieu of flowers that donations be made to the Serpent River First Nation Geka Wigwam (Elder's Lodge). Electronic money transfers can be sent to roberta_sago@outlook.com. Arrangements by BOURCIER FUNERAL HOME Ltd, Espanola. Baamaapii gaawaabmin Frank.
