## Espanola Ski Club Celebrating 60 Years This Winter Season

By *Rosalind Russell* - Celebrating everything snow and the love of skiing will be the focus on the 60th Anniversary celebrations for the Espanola Ski Club. Tom Hutchinson, the general manager of Boogie Mountain says they will kick off the celebrations February 11th by hosting their annual big air event and participating in Espanola's Winter Carnival.

He notes Boogie Mountain honours Armand Bourguignon, one of the founders of the club and a national ski competitor lovingly known as Mr. Boogie.

Hutchinson adds a special logo has been designed to mark the anniversary with the big party to be held at the end of February followed by other special events throughout the ski season.

Boogie Mountain and its club have long been a vital part of the Town of Espanola. Armand Bourguignon was an avid skier from the age of 13 and became a competitive ski jumper in the 1950s, participating in the Canadian championships. He also enjoyed downhill, cross-country and slalom.

## Espanola Ski Club Celebrating 60 Years This Winter Season

He moved to Espanola in 1957 and within a few years, raised the funds to purchase the land at the present-day ski hill located off Bass Lake Road in the south end of the town. Though established in 1958, the hill was not formally recognized until 1962 leading to its 60th anniversary this 2022-23 ski season.

Not only did he play a vital role in installing a power T-bar, but he also coached hundreds of youngsters throughout the years and built a 25-metre wooden ski jump so enthusiasts could learn how to jump.

Back in the 1970s, and working closely with fellow enthusiasts, Jackie and Gordon Dysart, Bourguignon and other volunteers bought two old company houses, dismantled them, and transported the pieces to the hill to build the chalet.

Although no longer providing

instruction and living a somewhat quiet retirement, he still enthusiastically supports skiing and the enthusiasts who access the hill named in his honour having most recently made a visit in 2020 to check out the new snowboard facilities and the upgrades made over the last few years.

Under Hutchinson's direction, the ski hill has seen much improvement over the last few years and is now a four-season destination including golfing in the summer

as well as its popular mud run. Not only does the hill attract enthusiasts for snowboarding, but it also has 12 groomed runs, snowmaking equipment, plenty of cross-country skiing, and runs special events throughout the year. It also runs lessons for all ages and seniors get a special day of their own during the ski season, every Tuesday. The chalet has also had some upgrades, Boomer Park is set up, fencing installed, and the brushing of the hill is well underway. A major work project sealing in the snowmaking cables was just completed as well. Thanks to the Ontario Trillium Fund, they received \$150,000 to upgrade the snowmaking system to reach from the top to the bottom of the hill. Now it is just a matter of waiting for enough snow to enjoy all that Boogie Mountain has to offer.

Photos: Boogie Mountain is ready to party. The Espanola Ski Club will be celebrating its 60th anniversary this year. A special commemorative logo has been designed for the festivities and the public is invited to share their photos of the hill on the Boogie Mountain Facebook page. The big celebration takes place at the end of February. Photos provided by Boogie Mountain FB.

## Raising Funds For Lunch Programs At Two Espanola Schools

An Espanola pharmacy is partnering with a local church to help provide lunches to students at two local schools.

Remedy's RX and the Espanola United Church are teaming up for the Brown Bag Program, which includes a bagged lunch for students.

Twice a month, members of the church make 50 bagged lunches with 10 going to AB Ellis Public School and the other 40 to Espanola High.

## Espanola Black Creek Sno-Trails Planning For Dog-Friendly Trail

Photo - A grand opening of the handicapped accessible trails along the Black Creek Sno-Trails took place last Sunday. AMK MP Carol Hughes was on hand to congratulate the volunteers and is seen here with Jolene Courtemanche who can now enjoy the trail thanks to the handicapped access trail. A new trail, this time for dog owners, is now in the works. Photo by Carol Hughes

Four-legged fur babies will be the big winner with a big announcement made by the Espanola Game and Fish Association during celebrations at the Espanola Black Creek Sno-Trails.

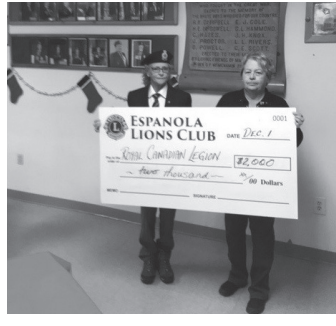

Trail organizer Dennis Lendrum announced on behalf of the association that Domtar has donated more land and another hiking trail will be constructed at the Black Creek Pier to allow access for dog walking.

The trail system that has now been

completed does not allow for dog walking, so the new trail will be a welcome addition. The volunteers also celebrated the day with the grand opening of their completed projects of 2022 including a handicapped-accessible trail and bridge, benches, and more decorations along the trails.

Lendrum adds they are always looking for volunteers to help with construction and buying a membership to the association also helps with the costs for the work, which will begin in the spring.

**O'Leary - Brian** [December 6, 2022] - We regretfully announce the passing of Brian Denis O'Leary of Espanola, Ontario. Son of Margaret Mary (Crofton) and Denis George O'Leary both predeceased. Brother of Norah, Michael (Dawn Houlihan), George (predeceased) and Alannah (Ian McQuarrie) both predeceased. Survived by his wife Emma (Langlois), two daughters Angela (Ernst Bien-aime) and Kathryn (William MacDonald), grandchildren Lee (Sam Hebert), Ty, Benjamin, Ian and Sophie, and great grandson Malyx. The strong silent

type, Brian was a wonderful wise man who lived a great life and was loved immensely. He worked for 38 years in the Forest Products industry in Espanola. He enjoyed spending his time at the cottage on beautiful Agnew Lake. He was a star in track and field, a kicker (punter) in football and also enjoyed playing hockey, baseball, golf, and downhill skiing. He shared his love of sports with his grandchildren. He also enjoyed listening to his granddaughter play the piano. Brian was an avid reader and later found the time to do some writing of his own.

FROM BRIAN:

*"Musings of an Older Man,"* a book written by myself for my family only, was a true journey of my life. One of the things I didn't touch on during the writing was the end of my life. I am writing this with the full knowledge that my life is ending shortly and what a journey it has been. If people put more effort into trying to do good kind things in the world, it is a good possibility that things would vastly improve. All I am asking is that people should take a step back and reflect upon what they are going to say or write, before communicating any thoughts, ideas, or contemplations. A little more kindness in the world goes a long way to correct everything from Putin to climate change. Thank you for a great life and beautiful family. It is indeed a beautiful world."

*'Ar dheis go raibh a anam uasal'*

A sincere thank you to ALL staff at the Espanola Regional Hospital, and the Palliative Care Support Team for their compassion and exceptional care. As per Brian's wishes, a funeral mass will be held on May 5, 2023 at 11 a.m. at St. Jude Parish with interment to follow in the Espanola Cemetery. If so desired, donations may be made to the Espanola Regional Hospital Foundation or the Espanola Food Bank. Arrangements by BOURCIER FUNERAL HOME Ltd, Espanola.
