19th Knights Cruisers Car Show An Amazing Success

By Rosalind Russell - People wanted to get out and enjoy, and enjoy they did, the sun, the warmth, the friendly smiles, and the variety of activities at this year's car show. The Masonic Hall volunteers told Around&About, they served over 600 eggs, and plenty of sausages and bacon with the works; serving over 300 people breakfast, The Espanola Elks had even more success with hundreds taking in the delicious burgers; and the Espanola Gardeners almost sold out with the plant sale, and the crafts (absolutely beautiful). But the big attraction, the cars themselves were beautiful, plenty of colour, unique designs, the smell of leather and the shine of chrome. It is estimated around 1,000 people took in the day ... HUGE SHOUT OUT TO THE ORGANIZERS AND THE PARTICIPANTS WHO MADE IT SUCH A HUGE SUCCESS. Photo by Rosalind Russell - copyrighted

## Espanola Lions Bingo Wrap Up

a doubt our best year yet. So good, that we were able to help various groups and individuals to the tune of just over \$80,000. Our thanks to the Town for letting us use the auditorium at no cost and allowing us to call bingo during the lock down. Thanks also to our wonderful vendors for selling our cards and to the various businesses for donations for our phone in prizes. And a huge thank you, of course, to all you keen daubers out there who put up with the callers and all their foibles and

*By Grant Lewis* - What a year! Louise Hannah wins the big one...\$3,000. And at 98 years old. The club was thrilled with the response to TV Bingo during the pandemic. Frankly, we were concerned if the enthusiasm would continue. Oh boy did it continue. Without

the odd technical problem. We look forward to the summer off and hope to see, hear, and talk to you when we start up again in September. **HAVE A SAFE SUMMER EVERYONE!!!** Photo provided by Grant Lewis

## Auxiliary Fundraiser Caps Off X-Ray Suite Campaign

*Photo* - The Espanola Regional Hospital Auxiliary has capped off the three-year campaign to raise funds for the new x-ray suite. The Moose is proud to have been part of the campaign hosting annual radiothons to help raise the \$295,000 for the suite. Photo provided by ERHA and used with permission.

The 19th annual Knights Cruisers Car Show proved to be a great opportunity for the local hospital to cap off its x-ray suite fundraising campaign.

Members of the Espanola Regional Hospital Auxiliary raised \$565 at the event for the campaign, which included a renovation and installation of state-of-the-art medical imaging. Hospital foundation chair, Terri Noble,

says the final donation has capped off the campaign with \$295,000 raised over the last three years, and that is despite the challenges presented by the pandemic.

Noble extends a thank you to all the individuals, businesses and local organizations in support of the fundraiser adding a new campaign begins shortly to continue modernizing services at the hospital.

## Espanola Woman Donates Picnic Tables For Espanola Heritage Park

When you enter Espanola from the north, there is a small park, which features historical photos and history of Espanola, but finding a place to sit and enjoy did not exist, but that has now changed. Long-time resident Daphne Allan says she and her late husband Don wanted to have a pleasant place to watch the traffic go by and enjoy the view of the Spanish River.

To that end, she has donated, not one, but three shade tables, including one that is handicapped accessible to welcome tourists and residents alike.

The tables were installed this week and have already proven to be popular with visitors and townspeople alike.

## Former Candidate Will Be Asked To Fill Council Void

**Photo** - A former Espanola councillor who lost in the last election will be asked if he would like to fill a vacancy in place until the October election. Photo FB

Espanola councillors have decided to go back to the election of 2018 in filling a vacant position on council. Espanola council has six meetings left before the end of its term, so with the removal of Maureen Van Alstine as councillor, the rest had to

decide how to fill the vacancy. Van Alstine was removed from her position two weeks ago after being found guilty in court of violations of the Municipal Act.

Town Clerk Joseph Burke had suggested a motion that council post the vacancy for two weeks and council choose from members of the public who had expressed an interest in filling the position.

However, Councillor Ken Duplessis says there were seven candidates in the last election and Ron Duplessis, a former councillor who lost in the 2018 election, should be asked if he would be interested in filling the position.

The motion was amended and if Ron Duplessis turns down the invitation, then the position will be posted publicly.

## No Massey Marathon Again This Year

The Massey Marathon will not run once again this year. The marathon had been cancelled due to the pandemic

and it was hoped that the event could be organized once again this year.

But volunteer Thomas Crabs-Junkala says they simply do not have the volunteers to be able to organize the event.

Crabs-Junkala adds they are in the process of regrouping and hope to attract volunteers to help with the event next year, which not only includes a full marathon, but also a half-marathon, a five-kilometre and ten-kilometre run.

## Espanola Complaints Rising Regarding Garbage Pickup

The Town of Espanola recently entered a contract with a new garbage pick-up company and some residents are not happy with the service.

Town clerk Joseph Burke says he is aware of some residents concerns that garbage is not being picked up citing the town entered a new contract with GFL Environmental, the new provider, a couple of weeks ago. He says the town is aware of the concerns of the new contract, which has new requirements relating to the placement of garbage and recycling for pick-up.

Burke says a public notice was

issued on May 11th as to the changes and a notice sent out in the mail.

He adds the mailout stipulates specifics for pickup, such as how far the garbage must be located by the road with those regulations coming into affect on May 20th.

Burke says residents should review the notice on the town's website to meet the new regulations.

The notice can be accessed at the following link: <https://www.espanola.ca/town-government/news-and-notice/articles/~187-Garbage-Recycling-Placement-Notice>.

## Province Agrees To Buy Laurentian University Assets

Documents filed before the courts on May 24 revealed that the province has agreed to purchase Laurentian University assets while the institution continues to look for ways to pay of its creditors. According to Northern Ontario Business, the province is looking at buying up to \$53.5 million dollars of assets.

University president Robert Haché stated in a May 23rd affidavit that the terms of this agreement would allow the University to make 100 per cent of such net sale proceeds available to its creditors under the bankruptcy proceedings

as real estate transactions are completed.

He adds the university anticipates it would be able to continue to use and occupy the property, be it real estate or buildings.

The university owes nearly \$360 million to creditors and filed for creditor protection over a year ago.

He adds the university intends to return to court on to ask that the stay of proceedings protecting the university from its creditors be extended once again to September 30th since the current stay of proceedings are set to expire.

## OBITUARY

**Naples, Kenneth Jr.** - It is with saddened hearts that we announce the passing of our son, Kenneth Naples Jr. on May 23, 2022 at the Espanola Regional Hospital and Health Centre. Though a man of few words, Kenny had much to say. There were a few things in life he couldn't tolerate; an empty plate, rain, open windows, sniffers and mosquitos - especially the kind that came buzzing about in white lab coats. "Dr. Knox set the mosquitos loose," his sister would say, but Kenny never believed her. Thank you to

the Espanola Lab, the Family Health Team and to Penny Goodman for being so quick to return phone calls. Thanks also to the many doctors at HSN and ERHHC who were there for Kenny when he needed them most, particularly Dr. Mahoney, Dr. Brule, Dr. Mantle, Dr. Parnham, and Dr. Bilgasem. And to Lynn Halliday, the pharmacist at Pharmasave (Robinson's) for her patience and time. A special thank you to CCAC, Patricia McGregor, Jeanette Laframboise, Leanne Campbell, and the occupational, physio, and speech therapists who made a difference in the quality of Kenny's life by never failing to underestimate his abilities. Kenny loved his neighbours, friends, sunshine, laughter, good food, and music. Reserving and assigning songs to sing with the people who loved him most. His parents, Joan and Ken Naples. His sisters Susan Howley, Nancy Howard (Tim), Anne Naples (Jeff McLean). His angel Florence Biesik. Kenny, you will forever be the strongest, bravest, smartest person we know. Cremation with a Celebration of Life will be at a later date. Arrangements by BOURCIER FUNERAL HOME Ltd, Espanola.
