## Another Expedition For Espanola Couple ... To The Far North

*Photo* - Lure of the North adventurers, Dave and Kielyn Marrone leave on another adventure tomorrow ... this time to watch for Narwhals in Nunavut. *Photo* - Lure of the North Dave and Kielyn Marrone.

*By Rosalind Russell* - An Espanola couple is taking on another expedition, this time to the far north to manage a camp. Dave and Kielyn Marrone, proprietors of Lure of the North, are heading to Devon Island at the mouth of the Northwest Passage in Nunavut for a six-week adventure.

Kielyn says she and her husband will be the camp managers on a special Floe Edge Adventure experiencing 24 hours of daylight and camping by the sea ice and recording their explorations.

Dave adds they will be focusing on the migration of the Narwhal, but will also likely see polar bears, seals and the unique landscape including glaciers.

Since the two will be without contact that far north, they plan to share their photos and adventures upon their return in June.

## Doug Gervais Running For Mayor In Espanola

The Town of Espanola has its first candidate for the municipal race this fall. Sixty-nine-year-old Doug Gervais was born, raised and lived in Espanola all his life working for Public Works for 42 years.

Gervais says he has always wanted to

run, and the timing is right since he is now fully retired and can devote himself full-time to the task of filling the mayor's seat.

He says he has seen the disconnect between council, town administration and municipal employees, so his priority is to bring them together as a team working for the good of the community.

Gervais has experience serving the public as a trustee of the former North Shore Catholic school board, serving two terms as chair, and the former Espanola Hydro board as well as volunteering within the community.

The municipal election is slated for October 24th with nominations now open for council and school boards.

## Espanola Landowner Looking For Investor In Senior And Disability Housing

An Espanola man is looking for a partner to invest in a large piece of property to develop it into multi-housing for both seniors and those on disability.

George Wade says Phase three is set to go at the south end of Espanola if there is an investor wanting to buy the five acres of property, which is multi-zoned from R1 to R3, meaning various types of housing can be built on it.

Wade says he will not sell unless they guarantee they will build multi-units geared specifically to seniors and people on disability.

Wade stresses there is a severe shortage and a strong need for affordable housing in Espanola.

For more information, call Wade at 705-583-2192 or via email at: [George-wade@hotmail.com](mailto:George-wade@hotmail.com)

## Fighting Fires In The Bush

Sables-Spanish Rivers Township firefighters trained for wildfires recently.

Fire fighter public information officer Jillana Goodchild says, 13 volunteer firefighters trained with two trainers from the Ministry of Natural Resources and Forests specifically geared to wildland fire fighting with theory delivered at the Massey Fire Hall and practical experience at the mouth of the river.

She says the volunteers had some training in the past, but with the MNRF providing a certified course, the firefighters decided to participate.

Goodchild adds it was an excellent opportunity since the local fire crews put the training to good use successfully fighting two large bush fires this past Sunday and Monday. Goodchild says the crews used to train every second week but, in an effort to get everyone

on the team up to certification standards, they have changed to weekly training, Tuesdays 7:00 - 9:00 p.m. with a new training committee preparing and planning the schedule. The team is comprised of all volunteers with an assistant chief and two captains at each of the three halls, a fire prevention officer, a training officer and a public information officer who are also volunteers. She emphasizes they are quite low in their numbers because of recent certification standards set by the Office of the Fire Marshal, so new volunteers are more than welcome.

Anyone interested in becoming a volunteer firefighter, can reach out via email at [fire@sables-spanish.ca](mailto:fire@sables-spanish.ca)

Typical ways brush fires get started/out of control:

Goodchild says most bush fires are unintentional, such as

caused by lightning, cigarette butts, glass on dry fuel (grass, woody materials, etc.), sparks from a train or exhaust on dry fuel. She says embers carried in windy conditions can easily jump roads with dry conditions facilitating rapid spread of fire, overhanging branches or nearby trees/shrubs catching fire and the incomplete extinguishing of campfires

Although we can't always control the first set of conditions, she says we control the second and the township's open air burn bylaw is written to keep burning safe.

Goodchild adds upcoming events include the Canada Day Fireworks, the Father's Day BBQ and Bottle Drive on Sunday, June 19th 11:00 a.m. - 6:00 p.m. at the Webbwood Outdoor Rink and their Fireworks Fundraiser Dance on Saturday, June 25th 8:00 p.m. - 1:00 a.m. at the Webbwood Eagles.

**Biggar, Helen Marguerite** - It is with great sadness that we announce the sudden passing of Helen Biggar at the Espanola Regional Hospital on May 08, 2022. She was 98. Helen was born on October 28, 1923 in Fredericton, NB, the daughter of Edward & Mary Ann Fletcher. It was in that city that she grew up and after completing her education began working for the Dean of Forestry at the University of New Brunswick. It was during her tenure at UNB that she met and married her husband, Jack Biggar, a forestry undergrad at the University. After graduation in 1951, the couple moved to the logging town of Ramsey, Ontario where they raised their two children John & Ruth before moving to Espanola in 1964. The two celebrated 71 years of wonderful marriage in September 2020. Sadly, it was to be their last anniversary with his passing later that year. Helen was a great lover of sports & the outdoors and spent much of her time curling, golfing, travelling, cross country skiing & snowshoeing. She gave her time generously to her family & friends as well as to the Anglican Church, Meals on Wheels & other community organizations. She had a great love for the North Channel (Manitoulin Is.) and the family cottage on Georgian Bay where she spent many of her summer days. Helen is survived by her son John (Carol), daughter Ruth, granddaughter Kate Campagne-Ford (Guillaume), grandson Michael Ford (Jody), 3 great grandsons Huxley & August Ford, and Theo Campagne-Ford, 2 nieces: Mary Jane Randlett & Barbara Jean McAleer and 3 nephews: Neil Henderson, Bruce Biggar & Doug Biggar. The family wishes to extend their thanks & gratitude to Dr. John Knox for his wonderful care and to Maria Christina Javierto, Charity Eslit and Paulette Sokoloski for the loving and diligent care they've provided. The family has planned for a private funeral in Moncton, NB in July. Her life was full – full of energy, integrity, caring and love for her family. She will be greatly missed by all whose lives she touched. Arrangements by BOURCIER FUNERAL HOME Ltd, Espanola
