Keitha's Legacy

Photo: Seated in photo Keitha's husband Peter Kozachanko -Photo by Grant Lewis

by Grant Lewis ... Family, gardening and cooking were the pillars of Keitha Kozachanko's life; so it is truly fitting that a memorial bench has been purchased by the Espanola Farmers' Market with leftover funds and placed in the Espanola Community Garden.

In 2011, Keitha volunteered to head up a steering committee to work with the Town in order to establish a community garden. She was conscious that a garden such as this was essential to fill a need

for local food security, sustainability, and to beautify her town. She was off and running!!! There were funds to raise; a location to be established; raised beds and a fence to be built; a sign to be erected. She started in 2011 and never stopped till her recent passing.

Keitha was a long time member of the Espanola Gardeners. She served as President for many years, ran a youth program and baked her famous butter tarts for our general meetings. Her baking knew no bounds. She cooked for the Lion's Club and especially for the Farmers' Market. Her faithful fans rushed to her booth to buy her tarts, pies, sauerkraut, perogies, pickles, cabbage rolls.....anything she had made!!!

The bench is beautiful thanks to Dan Glofcheskie. It is white cedar, live edge planks on a handmade wrought iron frame. It was unfinished until Dan worked his magic.

Keitha adored her family and was a devoted wife, mother and grandmother. She gardened all her life and her legacy will live at the "end of Algoma St. "for a long time.

All Four Municipalities Within The Lacloche Foothills Catchment Area Will Have An All-Candidates Debate First Week of October

Since Baldwin's mayor, Vern Gorham, is acclaimed, the debate will focus on the eight candidates running for one of the four seats on council.

The neighbouring communities of Espanola, Sables-Spanish Rivers and Nairn & Hyman will also have debates that week.

The election is set for Monday, October 24th.

The schedule is as follows: Monday, October 3rd in Nairn, Tuesday, October 4th in Baldwin, Wednesday, October 5th in Sables-Spanish and Thursday, October 6th in Espanola. Nairn and Baldwin will host their debates at their

town halls, Sables-Spanish Rivers in the Sandowsky Room at the Massey Arena and Espanola at the Legion hall, Branch #39 of the Royal Canadian Legion. All doors open at 6:00 p.m., debates start at 6:30 p.m. The first hour will focus on the mayoralty candidates in municipalities where there is a race for that seat. The rest of the evening, 7:30 p.m. to 9:00 p.m. will focus on the candidates for council. Anyone who has questions they would like asked to the candidates, can private message Moderator Rosalind Russell or reach her via email at rrussell@moosefm.com or by phone at 705-869-6397.

says the MPPs will be writing a joint letter to the Federal Electoral Boundaries Commission for Ontario conveying the challenges and the need for more consultations to address the geographical and diversification of the riding.

The commission is calling for the absorption of the riding by Nickel Belt and Sault Ste. Mare.

Currently represented by Carol Hughes, she says it is important that the riding

remains in place, not only to ensure fair representation but also because of the challenges enlarging the other two ridings would cause a potential loss of investments and funding.

The commission re-evaluates the population of ridings across Canada every ten years, and the current figures show that AMK has lost nearly 25 percent of its population over the last decade.

Reconstruction Of Queensway Avenue Will Mean Installing Lights

Photo: Phase three of the resurfacing of Highway Six in the Town of Espanola includes the installation of lights. Espanola council approved the third phase of the connecting link project from MacDonalds to Second Avenue on Centre Street in late June at a cost of just over \$6-million dollars accepting the bid from Garson Pipe Incorporated. Photo by Rosalind Russell

It has been discussed for years but is now coming to fruition, there will be traffic lights in Espanola's south end. Town clerk Joseph Burke says the project includes traffic lights for what will be the area between Tim Hortons and Queensway Avenue. He says this phase of the reconstruction is from

McDonald's to Second Avenue adding it will include installing water and sewer infrastructure, sidewalks, paving and the signalized pedestrian crossing between Tim Hortons and the Queensway. The work is expected to be completed by the end of next fall.

Survey Of The Spanish River's Fish Stock

Photo: An important survey of fish stocks in the Spanish River is underway. Surveyors were on hand at the Massey Agricultural Fair this past weekend asking for participation by the public. The survey is available online. Photo by Rosalind Russell

A survey of the fish stock in the Spanish River has not been done in many years, so the Spanish Harbour Area of Concern in Recovery proponents is conducting an updated survey. Back in 1983, toxic sewage discharged from the then E. B. Eddy paper mill in Espanola destroyed the ecosystem from Webbwood Falls at the mill downriver to the North Channel of Lake Huron. Rehabilitation work began and in 1999, the Spanish Harbour was re-designated as an Area of Concern in Recovery, which means all actions had been taken to help restore the eco-systems and water quality

and recovery would continue naturally along the waterway. Representatives were at the Massey Fair this weekend asking the public to fill out the survey, which includes types and sizes of fish caught, what type of fish they eat, and their general opinion on the health of the river. Follow the link below and take the online survey: <https://docs.google.com/.../1rKJeb2c05lgu7CE.../viewform...> For general historical information visit <https://legacyfiles.ijc.org/publications/fBeneficialUseImpairments.pdf>

115Th Massey Agricultural Fair Had Plenty Of Action For Those In Attendance

pulls and horse shows, and the parade!

The vendors offered a pleasant variety of goods and food, one cannot go to a fair without indulging, the poutine, candied apples and cotton candy were as delicious as ever!

Thank you to the Massey Agricultural Society, its members and volunteers, participants, vendors and supporting businesses for hosting the fair this year.

It may have been slighter and smaller, but this year's 115th Massey Agricultural Fair had plenty of action for those in attendance.

Several local artists took to the stage throughout the weekend to offer their talents to the audience. The exhibit hall and petting zoo were also popular.

The Midway is always a go-to for many but what really attracts the crowds are events like the ATV mud bogs, demolition derby, horse

Photos: Here's looking at you kid ... a job well done by the Massey Agricultural Society, its members, volunteers and supporters, shout out to the vendors and supporting businesses as well as the public who took it all in. Photos by Rosalind Russell and Mike Mantha
