Espanola Firefighters Atv Poker Run A Mighty Fine Mess ... And We Like It!

Photos - provided by Trevor McVey and Facebook EFDmudrun.

By **Rosalind Russell** - The Fifth Annual Espanola Firefighters ATV Poker Run was a fine, muddy affair and everyone ... loved it! The more mud, the better, that is the philosophy of the over 300 people who took part in the annual affair on Saturday, September 17th.

Ryan Courtemanche, the chair of the Espanola firefighters organizing committee, says they sold out all 300 tickets and had tremendous support from the wider community for the prize board

Warrior's Path Hosts Successful Gatherings Focused On Mental Health

Photo: The Warrior Path Foundation has a successful weekend in Espanola reaching hundreds of kids through assemblies and getting out into the larger community to advocate for mental wellness. Photo provided by Pete Rodley and used with permissions.

The Warrior's Path hosted a school assembly, walks and hikes as part of its events in Espanola over the last few days.

Foundation publicist Pete Rodley says Jon Goulet, a former martial arts fighter, advocated for the importance of mental health through nature during his visits to Espanola High School and Ecole de Renaissance on Friday.

Rodley says Goulet also took in a hike at the Black

Creek Sno-Trail with two bus loads of students as well as a presentation focusing on the students and the services available to them if they have a mental crisis.

He says the weekend wrapped up with a walk-through town supported by various local businesses.

Rodley says he and Goulet thank the community for their support and look forward to hosting similar events in the future.

Construction Progressing Highway Six

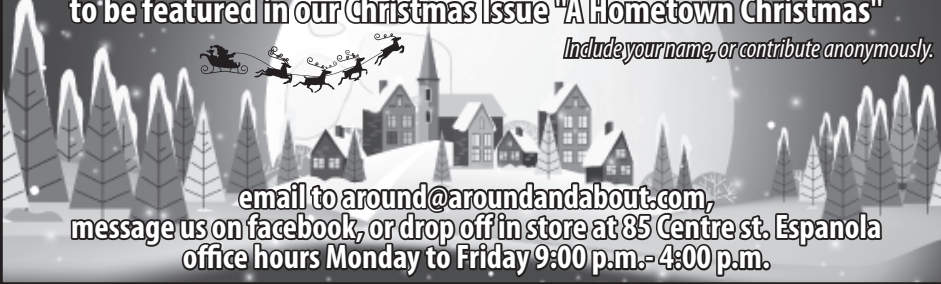

Driving to Manitoulin Island is a lot safer and more pleasurable for motorists now that most of the resurfacing of the only highway to the Island is largely complete. The Ministry of Transportation and its contractor is well ahead of schedule thanks to the excellent weather since early spring. Most of the resurfacing is complete with shoulder work, culverts, passing lane and guide rail installations nearly complete as well.

There are a few kilometres in the Birch Island area that still need resurfacing with plans for a new intersection being constructed in the community.

The Ministry has allocated \$10-million dollars for the rehabilitation of some 16 kilometres along the byway. Photo by Rosalind Russell.

Bivalent Covid-19 Vaccine Now Available In The Sudbury And Manitoulin Districts

Public Health Sudbury & Districts says Moderna's new bivalent mRNA COVID-19 vaccine, which offers protection against COVID-19 infection and includes the Omicron variant, is now available.

Medical Officer of Health Dr. Penny Sutcliffe says the new vaccine is available

for certain eligible groups in the Sudbury and Manitoulin districts as of today, and for everyone over the age of 18 as of Monday, September 26.

She says many people have not received a COVID-19 vaccine booster dose, or it has been more than six months since their last vaccination and is advising getting the new booster to increase immunity when COVID-19 numbers are expected to rise.

She adds for the next two weeks, the vaccine is reserved for those who are at higher risk of severe illness from COVID-19, as well as for health care

providers.

Dr. Sutcliffe adds by September 26th, vaccine supplies will be sufficient to offer the bivalent booster vaccine to everyone aged 18 and older.
