Espanola Legion Provides Funding To Hospice

Espanola's Royal Canadian Legion made a big donation to a Sudbury hospice.

Legion Branch #39 President Gary McPherson says he was proud to meet with representatives of the Maison McCulloch Hospice in Sudbury last week to present a cheque for \$8,700.

He says the donation was made through their Poppy Fund to assist the organization in its operational costs in providing end-of-life services for those in need.

Maison McCulloch Hospice provides its services to people throughout the Sudbury and Manitoulin districts.

Cambrian College Espanola Students Graduate From Try A Trades Program

Friday, July 21st with some of the students planning to attend more educational opportunities to expand their skills while others will seek a job in the trades market.

Clarke says the college is now seeking financial support from the province to continue offering the successful program to future students in the Espanola and Manitoulin Island.

"I love that the program allowed us the freedom to use our imagination to design our own projects from the knowledge and skills that were taught to us by our instructor, Henry Girard," says one of the graduates Sabrina Wahsquonaikzhik.

Girard spoke of the excellent relationship with the students and the satisfaction of seeing them come out of their shells and discover their talents. He also extended a thank you to the supporters of the program including Espanola Home

Hardware and A10 Fabrication, which provided the supplies and their expertise in the students producing various items. He also points out that many of the items made by the students assist various organizations. For example, they made trainable walls for fire training for the Espanola Volunteer Firefighters, as well as a donation to the Espanola Food Bank.

The Try a Trade graduation ceremony was held at Cambrian's mobile trades trailers in Espanola, which are tractor trailers converted into trades labs and classrooms.

For more information about Try a Trade at Cambrian College, visit www.cambriancollege.ca/try-a-trade, email espanola@cambriancollege.ca, or call 705-869-4113.

Major Reconstruction Of Espanola Roads Will Continue Into Late Fall

The Town of Espanola is well into the road reconstruction season.

The town has two major capital projects this year.

One project is on Mead Boulevard.

A detour has been set up along the road and signage is in place for motorists

The second project is the main street running through Espanola called Highway Six-

Centre Street.

The work includes the installation of new water and sewer pipes as well as new road construction.

The Highway Six work will also include sidewalks.

Motorists are asked to keep an eye out for signage and to slow down through the construction area, especially on Highway Six - Centre Street.
