Espanola Lions Christmas Party

By Grant Lewis - The place was packed for the Lions Christmas party at the Complex!!! And we mean really packed!!! Almost 700 hot dogs, two huge cakes

were served. Kids skated with the Paper Kings (who won their away game that night), had a free swim, and met Santa! Photos By Grant Lewis

A Tradition Continues

By Grant Lewis - Agnes Michon was truly "one of a kind". For decades, Agnes bought, repaired, and wrapped, literally thousands of toys for the Lions Toy Drive, recently renamed the Agnes Michon Lions Toy Drive drive in her honour. Agnes' love and generosity continue to be felt every year at this time by her family. It is always a pleasure to have the Michon clan kick start the toy drive at the Legion cannon.

Espanola Lions Donate to Espanola Hospital Auxiliary

By Grant Lewis - Three dedicated volunteers for the Hospital Auxiliary were on hand to receive a cheque for \$6,325 from the Espanola Lions Catch the Ace fundraiser. They are standing in front of the Memory Tree just outside the gift shop. Buy a one of a kind ornament from the shop and a tag with a name to be remembered, will be attached and hung on the tree. You can leave the decoration on the tree or take it home for your own tree around December 20th. All donations to the Auxiliary

are used to purchase equipment for the Hospital. Well done ladies!

47th Espanola Elks Hamper Fundraiser Assists Family

Photo: It is estimated over \$8,000 has been raised as part of the Espanola Elks/Moose radio Hamper Fundraiser. Photos by Rosalind Russell

The 47th Annual Espanola Elks Hamper fundraiser in partnership with The Moose 99.3FM was a big success to provide hampers featuring a complete Christmas dinner to those in need in the North Shore Corridor. Fundraiser chair Gary Tennant says around \$8,000 was raised so far with more funds coming in.

He extends a big thank you to all the contributors who made the yearly campaign a success. Tennant adds between 150 to 200 families and individuals from Massey east to Nairn and south to Whitefish Falls will receive their Christmas Hampers just before the holidays.

Pedestrian Light Now Activated In Espanola

There is another traffic light in Espanola, this time set up for pedestrians.

Town Clerk Joseph Burke says the new pedestrian light has been set up at the intersection of Highway Six/Centre Street and the Queensway Avenue.

He says the light will allow for pedestrians to safely cross the main highway in the

south end of town, one of the busiest sections on any given day.

Tim Hortons, McDonalds, and other retailers are in the area, as well as access to the Al Secord Trail, so the addition of the light is expected to slow down traffic and ensure the public's safety.

Official launch of the Specialist High Skills Major program in Environment at ESC La Renaissance in Espanola

Students and staff at École secondaire catholique La Renaissance in Espanola celebrated on November 22 the official launch of the Specialist High Skills Major (SHSM) program in Environment. Parents, community members and school partners were also in attendance for this event which highlighted the addition of this new program aimed at enriching this French-language Catholic secondary school's curriculum.

The SHSM program in Environment will make it possible for students to personalize their high school experience and accumulate transferable skills and competences to facilitate their entry into the job market. The program provides a solid basis of sector-specific knowledge and contextualized skills related to the environment on which to build their training or apprenticeship experience, pursue their studies at the college or university level, exposing students to the realities of the work environment and ensuring that they are better prepared to make informed career decisions.

Grade 11 and 12 students registered in this new SHSM in Environment program will accumulate specialist credits on sector-specific knowledge and skills as well as cooperative education credits in the related field. Moreover, students that participate in the SHSM program obtain a minimum of seven experiential certifications that provide

an advantage when they are ready to enter the workforce. The SHSM in Environment will be of interest to students considering a career in an environment-related sector such as forestry, energy, natural resources, and ecology. Given the existing range of courses related to this SHSM at ÉSC La Renaissance and its existing partnerships, the school already holds a solid expertise in the environment sector, which will support student development.

Ms. Jennifer Bernard, Vice-Principal at ÉSC La Renaissance, is confident that the program meets the needs of both students and Northern Ontario. "It is important to encourage students to pursue their passion and to build links with economic sectors where they can excel. Several important environment-related sectors can benefit from the expertise and passion of qualified professionals. We believe that our students, who stand out with their high level of bilingualism, their creativity and passion for the environment, will be better prepared to contribute actively to society by gaining access to this new program. With its proximity to waterways, forests, Manitoulin Island and the La Cloche mountains, the school intends to continue forging relationships with partners and interest students in pursuing their passion in the environmental sector".

Continued from page two

This program will allow a greater number of ÉSC La Renaissance students to benefit from training that will facilitate their professional integration into this economic sector and contribute to the training of qualified francophone and bilingual experts who will share their passion in Northern Ontario and elsewhere in Ontario.

The Conseil scolaire catholique Nouvelon currently offers ten Specialist High Skills Major programs: Health and Wellness

at ÉS du Sacré-Cœur (Sudbury), ÉSC l'Horizon (Val Caron), ÉSC Champlain (Chelmsford), and ÉS Notre-Dame-du-Sault (Sault Ste. Marie); Business at Collège Notre-Dame (Sudbury), Mining at ÉSC Horizon and ÉSC Champlain; Justice, Community Safety, and Emergency Services at ÉS du Sacré-Cœur; Sports at Collège Notre-Dame; and Environment at ÉSC La Renaissance. These programs provide students with opportunities to acquire

knowledge and competences that are relevant to an economic activity sector in exciting apprenticeship environments that are in line with their career goals. They also help students concentrate on obtaining their diplomas and pursuing their goals at the post-secondary level. The Conseil scolaire catholique Nouvelon offers a French-

language Catholic Educational Program that is widely recognized for its excellence. The CSC Nouvelon provides a quality learning environment and academic program that runs from early childhood to adult education, with some 5,900 students enrolled in 27 elementary and 10 secondary schools.

A special Godmother to Jayden Trudeau. Henrietta a.k.a. "Henri" will be missed dearly. Our dearly beloved "Henri" had many interests. In her younger days she was a very fast runner, always participating in cross-country running activities, spending her summer days swimming at Steven's beach and later on in Thomas Bay and most days you would find her playing with her cousins in the bush from making tree houses, gathering natural foods and skating on the local ice rink, 'ziikaasiing'. She loved camping and spent a lot of time around the fire with her mom and siblings, storytelling and relaxing. As she got older her interests included bingo, gaming and casinos (for work and play), going for long walks, picking fresh berries, puzzles and of course she loved "Tweedy Bird". Henri had a passion for hairdressing, which she chose as her profession. As life would have it, change happened and she became a Bus Driver, with tenures in Sagamok, Sudbury, Nipissing, and in Southern Ontario. She also achieved many other certificates in her lifetime. Visitation will be at the New Community Hall in Sagamok Anishnawbek. Funeral Services will be on Saturday November 25, 2023 at 10:30 am. Cremation to follow.
