New Dog Trail For Espanola

Photos: The last layer of sand is laid on the trail, just in time for this four-legged friend to take it all in.

New Dog Trail For Espanola

Lendrum says the club has provided some private property as stewards of the boat launch at Black Creek, which will be dog friendly, on the other river bank across from the main trails.

Lendrum says volunteers John Gallinger and student Andy Reibel have put down a sand base on 95% of the trail, so it will be soft on dogs' paws. He adds they are collecting

donations, up to \$400, to install at least two benches along the trail, so anyone interested in assisting can do so by contacting him on Facebook or the trail's official page.

He emphasizes the regular Black Creek Sno-Shoe Trail System allows no access for dogs from the Panache Lake Road entrance (Cross the new bridge, take the first left, and you are there.)

Motivated and Committed to His Community

The École secondaire catholique La Renaissance (Espanola) school community is proud to highlight the efforts and achievements of a remarkable graduating student, Jeffrey Burke. Since grade 9, this student has stood out for his many qualities and his active participation in school life.

This mature, resilient, and motivated student is appreciated for his open-mindedness and enthusiastic engagement during school activities. At ESC La Renaissance, Jeffrey has made a name for himself by playing on several sports teams, including volleyball, badminton and softball. Always ready to help those in need, he was active in the school's We Committee and sang during the school's Christmas food drive. Jeffrey is a hard-working and serious young man. In addition to the many hours he devotes to his part-time position as supervisor, he has served as a volunteer firefighter for the Township of Sables-Spanish Rivers for the past few years. Without a doubt, Jeffrey will succeed in everything he undertakes. We wish him every success in his post-secondary studies.

Sunflower Contest
By Grant Lewis - Did you know the tallest Sunflower was recorded in Germany and soared over thirty feet! Also, a sunflower has hundreds, if not thousands of tiny flowers which all turn to seed and make a great bird feeder. Once again, the Espanola Gardeners will be sponsoring along with our local Moose FM station, a contest for those who love sunflowers. There will be two age groups: twelve years and under as of September 1st and everyone else! Prizes will be awarded in each age category: the tallest, the largest seed head, and the most flowers on one stem. Measuring, "ladder climbing", and counting will take place September 1st and if necessary the 2nd. To register your plant, please call 705-869-5798 and leave a message with your name, address, age, and category. . . . Good luck. If you are a sunflower you are a happy camper so far this summer. Pictured is last year's winner for the tallest plant.

THANK YOU

Thanks to everyone who attended Eldon's Celebration of life at the Webbwood Eagles' Club June 16. It truly meant so much to myself, Derek, Susie and the grandchildren, that you shared these memories of their beloved dad and grandfather. I do hope the fishing lure in your card is a lucky one John. Thanks. Beverly, Derek & Kerry, Susie, Zack, Sarah, Laryssa & Blake
