Espanola High School Alumnus Mike Cywink Unveils His Biggest Mural Yet

to different schools and facilities producing original murals of Indigenous art. He says his latest project, a 36 by 16 foot mural is now a fixture at Wilfred Laurier University in Waterloo.

He adds this one was extra special, working with

youth and the Museum of Ontario Archeology. Capping off the unveiling held 2 weeks ago, Cywink made his way home last weekend to sell prints at the Northern Game Expo held Sunday, October 1, at the Caruso Club in Sudbury.

New Book Focuses On One Family's History In The North Shore

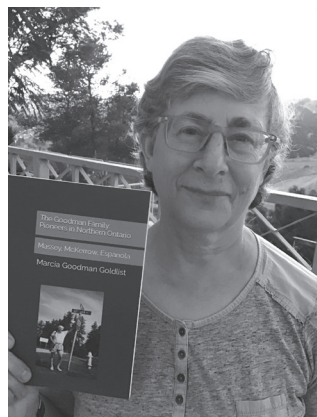

Photo - All her books are available on Amazon (under the name Marcia Goldlist). Marcia Goodman, who writes as Marcia Goldlist photographed with her latest book taken on a family visit to Espanola for her Aunt Gert's 90th birthday. Photo provided by MG.

A woman who is well versed in the history of the Espanola and Massey area has written a book about her family and their experiences living in the local area.

Marcia Goodman who publishes under the name Marcia Goldlist, now resides in Israel. She says her latest book, *The Goodman Family: Pioneers in Northern Ontario: Massey, McKerrow, Espanola*, is the story of her father, Marvin B. Goodman, and his father, Chris Goodman, growing up in the North Shore Corridor communities.

She says it starts off with a quick look at her ancestor's life in Russia, why they left, and their journey to the local area.

She adds the book also takes a look at how

industries affected the area in and around Espanola and Massey and how they helped Northern Ontario grow.

You can check out the book at <https://www.amazon.ca/dp/B0CFZGWKYS>. Before writing about Espanola and Massey, Marcia began by writing in rhyme for family events. She has a series of books on Amazon to help others use poems to express their feelings for (almost) every occasion.

Marcia has also written four books of the Bible in rhyme (Genesis, Exodus, Esther, and Ruth). She also has a series of books to help families celebrate Jewish holidays. All her books are available on Amazon (under the name Marcia Goldlist).

Cheque Presentation

“Community Living Espanola supports individuals with developmental disabilities along their journey to achieve their goals and dreams and assists them to live, to work, and to choose their own path.” The impetus in every program developed by C.L.E. for its clients is geared to the above Mission Statement. The Lucille G. Joyce and Genesis group homes provide 24 hour care for individuals requiring a higher level of care. Activities include cooking, baking, gardening, “Fun Fridays”, games, socials, karaoke nights, and monthly challenges. This is all made possible by an extraordinarily dedicated staff. A more independent lifestyle is provided by the Supported Independent Living Program.

Clients live on their own with daily visits by qualified staff to assist with meals, medication, and appointments. This vital program promotes inclusion and a feeling of belonging in a caring community. Many special events are part of the “Community Participation Supports.” Boat tours, hikes, computer instruction, annual colour run, schooling, fishing, Cambrian College

courses plus other activities all encourage clients to be part of the community. The Espanola Lions Club recently presented a cheque for \$6,050 from “Catch the Ace”. On hand to receive the “Big Cheque” were: Louise Laplante, Executive Director, Shawna Dubreuil, Direct Support Professional, and Debbie Langlois, Human Resource Officer. Espanola is very fortunate to have such a wonderful and needed program, with dedicated staff, who help those within our community with developmental disabilities enjoy “full citizenship in communities where they are valued and accepted.” Article and photo by Grant Lewis and Louise Laplante.

Espanola Construction Students Keep Plexiglass Out Of Landfill

During the pandemic Plexiglass protection was purchased by many businesses and schools, but now that the pandemic is over, an Espanola school is putting them to good use.

Espanola High School, being the Platinum Level Eco School it is, has tasked their students in finding creative ways to keep this material out of the landfill.

Senior construction students have had a busy working on different proto-types, such as table legs and even a bridge recycling the Plexi-glass in the process.

The work will be carried out throughout the semester with the students planning an unveiling in the early Spring.

It is with great sadness that we announce the passing of Lewis Raymond (Ray) Constantineau on September 29th, 2023, at the age of 89, just shy of his 90th birthday. Ray was the youngest of 10 children, born in Dalton Mills, Ontario. He is predeceased by his parents Edmund and Inza Constantineau and his siblings Albert (Red), Dorothy, Daniel, Harold (Belung), Vada, Vida, Frida, and William (Billy). He was first married to the late Patricia Constantineau (née Losee) for 43 years and in his later years to the late Eileen Caverly for 18 years. Ray is survived by his brother Lorne and his two children Benva St.

Morris and Paul Constantineau. He is also survived by his grandchildren Wynter (Blair), Kirby (Natasha), and great-grandchildren Oskar, Holden, Anthony and Taylor. Ray was an honorary grandfather to Kevin Moore, Judy Sauder, to his son Paul's step children, and many others who loved him as their Pèpère. Ray leaves behind many nieces and nephews, his American family the Burdis', Braendel's, Reeder's, March's and Montgomery's, as well as military and Legion colleagues and friends. Ray truly was a renaissance man. He was a storyteller and had such a positive outlook on life. He was a man we came to describe as a local celebrity in Espanola, since everyone seemed to know him and always had a lovely story to share. Whenever he was asked how he was doing, right up until the bitter end, he would say that he was just fine, with a smile on his face. Ray had wide interests ranging from farming, to wine making, and square dancing, to name a few. He was an active member of the community and strived to make a difference for those around him. He had a strong connection to nature. Ray always enjoyed the outdoors; hunting, working the trap line and fishing. During the summers he would spend time on Birch Island, taking care of the camp, enjoying his brandy on the front porch overlooking Georgian Bay. A burial ceremony will be held at the Espanola Cemetery on Wednesday, October 4th at 10 am. Following the ceremony, you are invited to gather at the Espanola Legion for a chance to celebrate his life, and reflect on how he touched our hearts. Express your sympathy by making a donation to the Espanola Nursing Home, in person or by mail, at Espanola Hospital Foundation at 825 McKinnon Dr., Espanola ON, P5E 1R4 or online to www.erhnc.on.ca, scroll and click on the green heart. Donations are also accepted by the Espanola Legion Branch 39 at (705) 869-1711. We would like to thank the staff at the Espanola Nursing Home and Espanola Hospital. The compassion and assistance Ray received could never have been replicated anywhere else. A very special thank you goes out to Ray's nephew Gary and Midge Denault for all their love and care. Thank you to Michael and Emily Burdis and their children for the support and love you have given to our Pèpère. Messages of condolence may be sent to: <https://www.bourcierfuneralhome.ca>

We thank you for your interest. Only those selected for an interview will be contacted.

GFL Environmental is an equal opportunity employer and encourages women, Aboriginal people, persons with disabilities and members of visible minorities to apply. We seek to hire individuals with diverse characteristics, backgrounds and perspectives. We strongly believe that world-class talent makes no distinctions based on gender, ethnic or national origin, sexual identity and orientation, age, religion or disability, but enriches itself through these differences. GFL will provide accommodations to job applicants with disabilities throughout the recruitment process. If you require an accommodation, please notify us and we will work with you to meet your needs.
