By Rosalind Russell - A local illustrator and former student of an Espanola school has made a limited edition of plaques featuring the former AB Ellis Public School. Bill Leeney says he has been able to design 27 laser etched plaques made from wood he recovered from the demolition site of the former school in January of last year. The plaques feature an original illustration designed and signed by Leeney. The school opened in September 1919 as the Espanola Continuation School, then

Manitoulin Island Mayor Pushing For Bridge Timeline To Be Sped Up

By Rosalind Russell - A Manitoulin Island mayor is pushing for the timeline to build a new bridge to the Island to be sped up. Northeastern Manitoulin and the Islands Mayor Al MacNevin says in August there were at least three instances when the Swing Bridge in Little Current required repairs and was unavailable to vehicular traffic in either direction on Highway Six.

He says the latest breakdown also prevented marine traffic from passing through the North Channel for a 24-hour period.

MacNevin says everyone is frustrated and the process to replace it has been slow.

He adds a major push is underway with lobbying, fundraising petitions and contact with ministers and Premier Ford to get the design plans finalized and begin construction emphasizing the bridge is the only structure connecting the mainland with the Island.

MacNevin says it was announced last summer that the funding is in place, so they are hoping to see the project commence construction as soon as possible.

The bridge is owned by the Province of Ontario and managed and operated by the Ministry of Transportation.

MacNevin says the municipality has repeatedly met with senior staff and

ministers regarding these mechanical failures to emphasize the need to ensure the reliable flow of traffic on and off Manitoulin Island adding their concerns have been acknowledged, and the meetings cordial.

In the summer of 2023, Minister Rickford announced the Treasury Board had set aside the funds for the replacement of the bridge and that the next step in the process was to move to detail design. Detail design is required prior to going to tender for construction, as it provides the engineered drawings required for tender purposes.

As a result of the latest bridge failures many community members have undertaken various initiatives to encourage the Ontario government to move this project forward.

MacNevin says the municipality will continue to work with other Island communities and First Nations to encourage the province to prioritize the project, recognizing its importance as a vital link on a Provincial Highway that enables the flow of people, emergency vehicles and goods and services for the citizens of Manitoulin Island.

Deadly Drugs On The Streets

By Rosalind Russell - Deadly drugs are on the streets of Espanola, the North Shore Corridor and Manitoulin Island.

The Community Drug Strategies of Manitoulin and LaCloche Foothills have received reports of an increase in the number of drug poisonings (overdoses) and unexpected reactions from the use of substances in the local area.

Public Health Sudbury & Districts say while they cannot confirm the substance(s) causing the overdoses, this situation serves as an important reminder to the North Shore and Manitoulin Island

communities that street drugs may be cut or mixed with substances such as benzos (benzodiazepines), xylazine, fentanyl, or carfentanil.

Frontline workers warn that more toxic substances may be circulating locally.

An overdose occurs when a person uses a substance, and their body is unable to handle the effects.

As a result, the brain is unable to control basic life functions.

The person might pass out, stop breathing, or experience a seizure.

Overdoses can be fatal and non-fatal.

OBITUARY

BOURCIER, Ronald - July 26 1951-September 1, 2024. September 1st, 2024, Ronald Victor Bourcier, 73, of Webbwood, Ontario, passed away peacefully at the Espanola Regional Hospital and Health Centre after a short battle with cancer. Ron was born on July 26th, 1951 to Sam (Simeon) and Irene Bourcier in Espanola. He is survived by his siblings Romeo, Fern, Jenny (Art), Gerald (Laurie), Lorraine, Stan, Simone, Rod (Karen), Don (Becky) and Marcel (Kari). Ron was predeceased by parents Sam and Irene; brothers Ivan and Len;

sister Georgette; sister-in-law Colette, and brothers-in-law Dave, Ron and Jack. Ron faced many challenges in life due to mental health issues, but he worked hard all of his life, and was well known in local communities. During Ron's latter years, he formed meaningful connections with some family, as well as friends at the CA McMillan Place. Though stubborn at times, Ron was sincerely cared for by his brother Marcel; their daily phone chats were important to both of them. Through his part time work, Ron met interesting people and made many friends. He loved to tell of the odd jobs he performed, including working for Lois Maxwell, who starred in Adventures in Rainbow Country, and James Bond movies. He loved to watch Wrestling, the Toronto Blue Jays, the Montreal Canadians, as well as playing the lottery. Special thanks to Ron's friends: Mark, Rick, Victor, Greg, Robert and Nancy for caring for him through the years. Thank you to nurses Grace and Corinne who were so kind during Ron's final days. A graveside service will be held on Friday, September 13th at 11 am at the Webbwood Protestant Cemetery. A light lunch will follow at the Webbwood Fraternal order of Eagles. Donations can be made to the Espanola Helping Hand Foodbank. Arrangements by BOURCIER FUNERAL HOME, Ltd., Espanola.
