## Espanola Mayor Congratulates Local Man For His Craftsmanship – Miniature Of The Domtar Mill

**By Rosalind Russell** - Espanola Mayor Douglas Gervais has presented a Certificate of Appreciation to a local craftsman who has just completed a miniature model of the Domtar Mill. Gervais met with Dave Howie earlier last week recognizing his dedication, craftsmanship and effort in capturing what he

says is one of the community's most iconic landmarks. He points out Howie spent five to eight hours a day working on the project, which he has also videotaped and shares on YouTube. Every piece is built entirely from scratch, cut, designed, painted and placed on a large table and is correct in the

N Scale, a popular model railway scale where models are built at a ratio of 1:160 using 9 mm track gauge. For the link to view Howie's work, <https://www.youtube.com/@mckerrowsiding/> featured

## Espanola Hospital & Health Centre Announces Leadership Transition: CEO Jane Battistelli Passes the Torch to Martin Lees

of the Clinical Manager of the Emergency Department & Acute Care, Chief Nursing Officer/Director of Clinical Services, and her last four and a half years being served as the Chief Executive Officer. During her time at ERHHC she championed patient-centred initiatives, expanded vital services, fostered leadership development, and oversaw significant infrastructure improvements. Her leadership was instrumental in developing a culture of excellence, inclusivity, and collaboration among staff and physicians. She earned the admiration of colleagues and the gratitude of patients, consistently prioritizing the well-being of the community. Board Chair Karen Lalonde commented, “Jane’s vision and dedication have fundamentally shaped our hospital. Her legacy is one of compassion, innovation, and unwavering support for both staff and patients.”

### Welcoming Incoming CEO Martin Lees

The Board of Directors is pleased to announce the appointment of Martin Lees as the incoming CEO, effective January 1st, 2026. Lees brings a wealth of experience in healthcare management and a reputation for collaborative leadership. His commitment to excellence and forward-thinking approach align seamlessly with the vision and values established under Battistelli’s stewardship. Lees stated, “I am honoured to join this exceptional team and build upon Jane’s

impressive legacy. I look forward to working with staff, partners, and the community to ensure our hospital continues to provide outstanding care.”

### Ensuring a Seamless Transition

Hospital leadership has emphasized that this transition has been carried out with careful planning and support. Battistelli and Lees have been working closely together over the past months to ensure continuity and a smooth handover of responsibilities. Staff and stakeholders have been assured that the hospital’s commitment to high-quality patient care will remain steadfast throughout the transition period.

“Transitions can be challenging, but with a shared commitment to our mission, vision and organizational values, I am confident the hospital will thrive under Martin’s leadership,” Battistelli remarked. Chair Lalonde added “I share Jane’s complete confidence in Martin’s abilities and commitment to lead ERHHC into the future”.

### Community Support and Gratitude

The hospital thanks Jane Battistelli for her visionary leadership and welcomes Martin Lees as he embarks on this new chapter. The Board encourages everyone to support both leaders during this important transition, ensuring the hospital’s continued success and service to the community.

## Catch the Ace at work again.

**By Grant Lewis** - We all know some birds fly south for the winter, bears den up and hibernate, frogs bury themselves in mud, all to avoid winter’s harsh weather. But what about those many dedicated kids who love to play soccer all year round?

Well they move indoors to the new gym at La Renaissance School starting in October and ending in February these soccer enthusiasts enjoy their favourite sport all year round. Their ages range from 7years old to 14. There are three volunteer coaches to teach basic skills to the younger players while older kids receive skill and strategy lessons. There are no teams since emphasis is placed on sportsmanship and enjoyment of the game. There are however, three cardinal rules: respect the coaches, no body contact, and to have fun. The Espanola Lions Club applauds the objectives and direction of this great program. The club was pleased to present the Espanola Minor Soccer League a check for \$9,000 from Catch the Ace. The monies will be used to purchase soccer balls, new pennies and nets. Enjoy the season everyone out of the cold!
