Former Mayor/Beloved Teacher Walking For Cancer Research

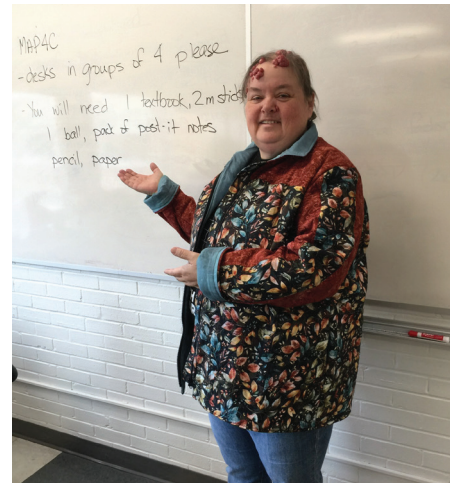

Photo - Jill Beer, a beloved teacher, has been diagnosed with cancer. She is taking on a 100 km walk to raise funds for the Canadian Cancer Society and raise awareness. A former mayor, she is also an enthusiastic quilter wearing one of her jackets of her own design. Photo by Rosalind Russell

By Rosalind Russell - A well-known Espanola woman, who has served as a former mayor and is a beloved teacher at Espanola High School, has taken on a unique challenge in her fight against cancer. Jill Beer told Moose FM she has Grade 1 uterine cancer, which is the least aggressive, but it has spread, so she will have an MRI this week as part of her surgical plan. However, Beer is not sitting around waiting for her surgery at the Royal Victoria

Wreaths were also laid at the Seamen's Memorial, the Women's Memorial and the Youth Memorial.

Following the laying of wreaths, a social gathering was held for the dozens of people who attended.

Former Mayor/Beloved Teacher Walking For Cancer Research

Hospital in Barrie; rather, she has stepped up for the Canadian Cancer Society 2026 campaign to walk 100 kilometres in June. She says several of her peers at the school are helping her, so a team, Jill's Courage Crew, has been formed to help her complete the challenge. Beer adds that the support from her

colleagues and the wider community has boosted her spirits and keeps her positive in the wake of her diagnosis. She started walking on May 25th and has already taken in over 25 kilometres.

Baldwin Township Pulls Out From Shared Care Van

By Rosalind Russell - The Township of Baldwin has pulled out of the shared LaCloche Care Van program due to lack of use. Espanola council has agreed to refund Baldwin \$4,242.50 for the purchase of the LaCloche Care Van as a result of its withdrawal from the shared service agreement. Espanola CAO Joseph Burke says the refund will come from the town's Transit Reserve, so there will be no impact on ratepayers.

He adds the shared service agreement has been amended and means slight increases for Sables-Spanish Rivers, Nairn & Hyman and Espanola. The LaCloche Care Van launched on July 2, 2024, providing three times weekly transportation to Sudbury for medical care and twice weekly transportation from partner municipalities into Espanola. Burke adds the service will cease to serve residents of Baldwin Township effective June 26.

Kayak Adventures – Beginnings

Chapter Four

Training was over and we were ready to tackle our first trip on Lake Superior. We had purchased kayaks of our own, but we opted to start with a guided trip. We signed up for a one-day paddle, with an adventure company from Rosspport, a small town, nestled into a cove about two hours east of Thunder Bay. After dropping our son off at school, we headed back to Rosspport. Our guide lived and worked in the area and was an expert on the quirks of this Great Lake. The plan was to kayak out to the lighthouse on Battle Island, a 9.3 km paddle from the Rosspport Marina. This lighthouse was built in 1871, to guide boats through the dangerous rocks and currents of the area. It stood alone, unprotected against the full power of Lake Superior, with it's unpredictable and relentless storms.

Early in the morning, we arrived at the Marina, where we were fitted with kayaks.

Long, sleek seventeen-foot sea kayaks. "Hmm, these are longer than the kayaks that we bought," I murmured. "I wonder why?" I shrugged, as my eyes roved over the sparkling water, little wavelets dancing on its surface. The lake looked like it went on forever, outlined by a jagged, rocky coastline, a few islands sprinkled randomly, here and there. It was a relatively calm morning, when we headed out, although, I was told that even on a tranquil day, you could feel the constant under swell. As we shoved off from shore, I experienced that deep, underlying swell—it left me with the uneasy feeling that things could change in the blink of an eye.

THANK YOU

Thank You!

On behalf of the Royal Canadian Legion Branch39 Espanola, I would like to extend a heartfelt thank you to the Town of Espanola for installing the crosswalk at the corner of Oscar and Annette Street. This crosswalk, and many more just like it, have been installed in Towns and Cities across Canada in remembrance and recognition of the sacrifices made by our Veterans in Conflicts and Peace keeping missions around the World and members of the RCMP who help to make our country safe for us to live in. To our Mayor Doug Gervais and our CEO Joseph Burke thank you for making this happen.

THANK YOU - CELEBRATION OF LIFE

Dan Gallagher

Passed May 24th 2026

The right words just don't seem to exist to properly thank so any of you.

Your kindness, support, generosity, and compassion have meant the world to me and my family.

We would also like to sincerely thank all of our family, friends and neighbors for the incredible support you have shown us. Whether through your visits, flowers, cards, phone calls, text messages, food or simply being there when we needed you., your love and kindness have carried us through one of the most difficult times of our lives.

The gatherings we shared together gave Dan the opportunity to spend precious time with the people he cared about most. Seeing so many family, members, friends, neighbors, and former colleagues come together brought him great joy and comfort, and those memories will remain with us forever.

To all the firefighters, paramedics, and police officers who took part in the parade, please know how much it meant to Dan and to our entire family. The sight of the procession, the salute, the handshakes, and the personal expressions of gratitude and respect touched him in a way that words cannot fully describe.

His words to me afterwards were, "I couldn't have asked for a better send-off."

To see so many of you take the time to honor him. thank him for his years of service and stand beside him one final time was a gift our family will never forget. The respect, compassion, and brotherhood you showed will remain in our hearts forever. From the bottom of our hears, thank you all.

From Myself (Judy Gallagher) and my Family.
